INSTRUCTIONS

Heat oven to 350°F. In a medium mixing bowl, combine yellow cake mix, milk, oil and eggs to form batter. Fill lined muffin tins with batter and bake for 19-23 minutes. Cupcakes are done when you can insert a toothpick and it comes out clean. While cupcakes are baking, melt Candy Melts and fill molds with the melted candy. Place in the freezer for 5 minutes to solidify. You will need 24 paws and 12 shells. Let cupcakes cool, then frost them. Dip the bottom half of each cupcake into the graham cracker crumbs. Decorate with one candy shell and two paw prints by adding a dab of frosting and pressing them into the top of the cupcake. Follow with a variety of the pearl sprinkles. Enjoy!
